

Antarctica, South Georgia, and the Falklands

Join us for one of the grandest wild experiences the planet offers. Spend days immersed in the extreme beauty of the Antarctic Peninsula in the company of top naturalists and National Geographic Photography Experts. Expand the wonder with an exploration of South Georgia—where vast colonies of king penguins throng the beaches and Sir Ernest Shackleton rests for eternity. Cap that off with time spent in the windswept Falklands, awash in British charm and history.

STARTS AT
Ushuaia, Argentina

→

ENDS AT
Ushuaia, Argentina

Minimum Age Requirement: Any children booked on Antarctic or Arctic voyages must be at least 4 years old at time of embarkation.

Note: Some departures travel in the opposite direction. Please speak to an Expedition Specialist for details.

Highlights

- Explore three distinct regions and benefit from our 50-plus years of experience here
- Scan the skies for bird species and keep an eye on the sea for fin whales, southern right whales, and blue whales
- Hear the story of Sir Ernest Shackleton's 1914 quest for the Antarctic, and celebrate his enduring expeditionary spirit with a toast at his gravesite in South Georgia
- October and November departures offer the possibility to 'park' the ship in the fast ice for a once-in-a-lifetime walk over the sea ice

Day by day

■ DAY 1

Buenos Aires, Argentina

Arrive in Buenos Aires, the cosmopolitan capital of Argentina. Transfer from the airport to the Alvear Art, or similar.

Arrival Time: Arrive before 11:00 a.m. local time.
Arrival City: Buenos Aires, Argentina

◇ DAY 2

Ushuaia / Embark Ship

Join the recommended flight to Ushuaia, the southernmost city in the world, where you'll meet the ship; transfers to the airport and luggage assistance will be provided. Ushuaia's spectacular setting, between the jagged peaks of the Darwin Range and the protected waters of the Beagle Channel, makes it an appropriately wild place to begin your journey to the White Continent and a great destination in its own right. Visit Tierra del Fuego National Park. Lunch will be served onboard a private catamaran while cruising the Beagle Channel, where you'll be on the lookout for huge South American sea lions and birds like imperial cormorants.

Meals included: breakfast, lunch, dinner

◇ DAY 3

At Sea

Settle into shipboard life as you sail to the Falkland Islands. Keep a lookout for albatross that glide alongside the ship.

Meals included: breakfast, lunch, dinner

◇ DAYS 4-5

Falkland Islands

All the best aspects of expedition travel seem to come together in the western Falkland Islands. Where else can you land on a beach tucked into a rocky cove, hike out across a rolling green pasture and suddenly find yourself at the crest of a sea cliff looking out over the South Atlantic surf? Just a few steps further and you're standing at the edge of a breeding colony of black-browed albatross, so close that you can hear the wind on their wings as they swoop in to land beside you. Check out the thousands of irresistible gentoo, rockhopper and Magellanic penguins that congregate here, along with fur seals.

Stanley, the bright, pretty capital of the Falkland Islands, is a wonderfully unexpected place: a charming outpost of British culture tucked into a small bay on the shore of these windswept islands in the far South Atlantic. Many Falkland Islanders still live in very traditional ways, and you'll have a chance to visit a small farm to see some expert sheep shearing and learn about the best techniques for cutting blocks of peat for the fire. The rocky hills and white sand beaches outside town offer some excellent hikes, and afterward, a cup of tea or a pint at the local tavern goes down very nicely.

Meals included: breakfast, lunch, dinner

◇ DAYS 6-7

At Sea

With whales beneath and birds above, continue toward South Georgia Island. Your naturalists will prepare you for the exciting days ahead with presentations on the wildlife of South Georgia, and, of course, the inspiring story of Sir Ernest Shackleton and the *Endurance*.

Meals included: breakfast, lunch, dinner

◇ DAYS 8-12

South Georgia Island

Simply put, there is nowhere else in the world like South Georgia. King penguins, the second largest species in the world, are unquestionably the most iconic wildlife of South Georgia. This rugged and remote island offers one of nature's most dazzling spectacles: tens of thousands of king penguins, the second largest penguin species in the world.

Explore the spectacular coastline of South Georgia Island. In keeping with the nature of an expedition, the schedule is flexible with opportunities for walking, hiking, kayaking and Zodiac excursions. Sailing along the coast, you'll have your choice of activities every day including visits to Grytviken—the final resting place of Shackleton—and Stromness Harbour, where Ernest Shackleton, Tom Crean and Frank Worsley finally reached aid at a whaling station.

The island is also home to huge elephant seals and thousands of king penguins. South Georgia is sometimes called "the Serengeti of the Southern Ocean", but even that description seems inadequate; this lonely island is unique in the world, so rich and so beautiful that it defies any comparison.

Meals included: breakfast, lunch, dinner

◇ DAYS 13-14

At Sea

As you voyage, head up to the Bridge to watch for icebergs and observe expert navigation at work as your skilled Captain and officers sail these historic waters. There'll also be time to enjoy a massage in the wellness center, work out in the gym and browse in the library. Each day your naturalists offer talks that add depth to your experience.

Meals included: breakfast, lunch, dinner

◇ DAYS 15-18

Antarctica

With long hours of daylight at this time of year, you'll have ample opportunities to explore. The schedule is flexible, allowing you to take advantage of the unexpected. You might set out by kayak to encounter towering icebergs at water level; embark on a Zodiac excursion in search of seals and blue-eyed shags; walk amid thousands of Adélie and gentoo penguins; or experience the thrill of the ship crunching through pack ice. Everywhere you go in Antarctica you'll be surrounded by opportunities to capture uniquely beautiful images. Along the way your expert expedition team will enrich your experiences.

Meals included: breakfast, lunch, dinner

◇ DAYS 19-20

At Sea

This 500-mile-wide strait between the Antarctic Peninsula and South America is one of the most famous bodies of water in the world. Sometimes ferocious, sometimes flat calm, the Drake is always a fascinating place in its own right. This part of the journey is your best opportunity to see gorgeous seabirds like the wandering albatross, and you might be lucky enough to encounter orca whales or rare species of dolphins. Visit the Bridge (a great place to spot wildlife), have a relaxing massage, attend a talk about the biology of the penguins you've just seen or settle into a comfy chair in the observation lounge to look out over the waves and reflect on your incredible journey. Toast your epic voyage at a festive farewell dinner.

Meals included: breakfast, lunch, dinner

■ DAY 21

Disembark Ship / Ushuaia / Buenos Aires

Disembark in Ushuaia, the southernmost city in the

world. Take the recommended flight to Buenos Aires and connect with your flight home.

Departure Time: Depart after 9:00 p.m. local time.
Departure City: Buenos Aires, Argentina

Meals included: breakfast

2026 (21-Day Southbound)

Ushuaia, Argentina → Ushuaia, Argentina

National Geographic Explorer

GUESTS	CABINS
148	81

Built to handle deep swells and towering waves, the *National Geographic Explorer* lends herself to globe-spanning travel and a dedication to curiosity and wonder.

Originally constructed for service along Norway's coast as part of the famed Hurtigruten, or Coastal Express, she ferried passengers among the fjords of this iconic coast in conditions that could deteriorate into heavy seas in a matter of minutes. She had to be able to handle deep swells and towering waves—and have a high degree of maneuverability. Those traits, and an ideal size, made her a natural choice for addition to the Lindblad fleet.

The plans to completely rebuild her drew on 50 years of pioneering expedition history and expertise. *National Geographic Explorer* was equipped with an ice-strengthened hull and advanced navigation equipment for polar expeditions; a roster of tools for exploration; and a well-appointed interior with vast expanses of glass for an unprecedented connection to the environment. Her interior and exterior design embodied the Lindblad expedition ethos—the privilege of wildness and the luxury of comfort.

For many guests she remains their paradigm of an expedition ship. She is devoted to exploration—from her Welcoming Bridge, and the Chart Room below it where you can tuck in to warm up with a hot chocolate, to her high-perched Observation deck with its aqueous light and compelling 24/7 views. Even the art on the walls— from the Hurley prints of Shackleton's expedition to the stunning National Geographic photos— tells an uber- narrative of globe-spanning travel and a dedication to curiosity and wonder.

National Geographic Explorer is a state-of-the-art expedition ship. She is a fully stabilized, ice-class vessel, with an ice-reinforced hull, enabling her to navigate polar passages while providing exceptional comfort.

Cabin Categories

Category 1

MAIN DECK **#301-308**

Cabins feature one or two portholes. Most cabins feature two single beds that can be converted to a queen. Cabins #301-306 feature one queen-sized bed. All cabins feature a writing desk, floor length mirror, reading lamps, well-appointed bathrooms with a roomy glass-wall shower, and a TV.

Category 2

MAIN DECK **#317-320, 335-336**

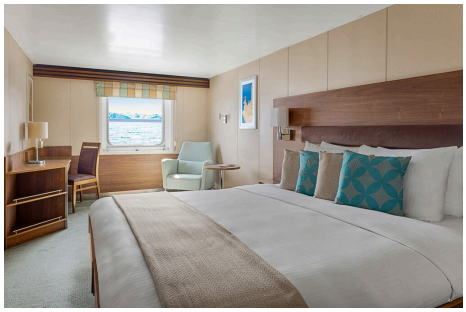

Cabins feature two single beds (some can convert to a queen-sized bed), and one large window. They offer a writing desk, floor length mirror, reading lamps, sitting chair, well-appointed bathrooms with a roomy glass-wall shower, and a TV.

Category 3

MAIN DECK **#313-316, 321-328, 337-340, 342, 344, 348, 350**

Cabins feature two single beds (some can convert to a queen-sized bed), one large window, and two sitting chairs and a small table and ample storage. They have a writing desk, floor length mirror, reading lamps, well-appointed bathrooms with a roomy glass-wall shower, and a TV. Cabins 341 & 343 have a sofa bed for a triple.

Category 4

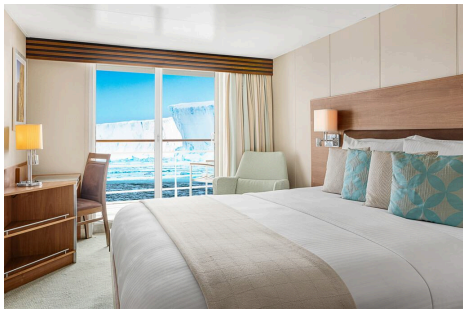

UPPER DECK **#201-202, 204-207, 210, 212, 217, 226, 228**

Cabins feature two single beds and at least one large window. All cabins can convert between two single beds to a queen, except Cabins 217, 226 and 228, which feature one queen- size bed only. All cabins feature climate controls, sitting chairs and a TV. Bathrooms are also generously sized with a roomy, glass-walled shower stall.

VERANDA DECK **#103-104, 107-108**

Cabins feature two single beds that can convert into a queen. They have a writing desk, floor length mirror, reading lamps, sitting chair, private bathrooms with a glass-wall shower, and a TV.

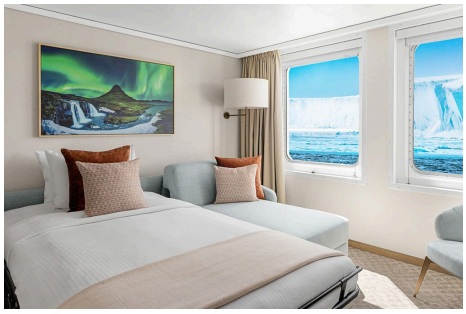

Category 5

UPPER DECK **#209, 211, 214, 216, 218, 220-222, 224**

Cabins feature a balcony with sliding glass doors, one queen-sized bed, writing desk, floor length mirror, reading lamps, private bathrooms with a glass-wall shower, and a TV. (Cabin 221 has two single beds that can convert to a queen.)

Category 6

UPPER DECK **#213**

This spacious cabin has a private balcony, two single beds that can be converted into a queen, a writing desk, double closet, bookcase, pull-out sofa, armchairs, two large windows and a TV. The sleeping area has a glass partition separating the living room. Bathrooms are generously sized with a roomy glass-walled shower stall and twin sinks.

VERANDA DECK **#101-102**

These spacious cabins can be converted into triples. They have two single beds that can be converted into a queen, a writing desk, double closet, bookcase, sofa-bed, chairs, two large windows and a TV. The sleeping area can be closed off with the glass partition. Bathrooms are generously sized with a roomy glass-walled shower stall and twin sinks.

Category 7

UPPER DECK **#215, 219, 230**

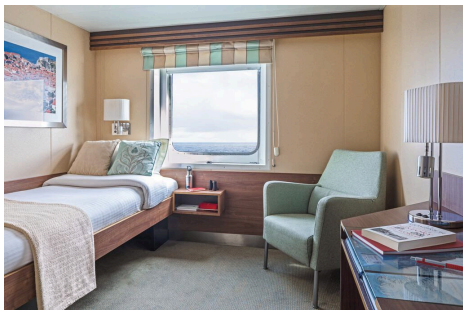

These large cabins with private balconies have two single beds that can convert to an Olympic-sized queen. They have seating areas with a sofa-bed and can be converted to triples. Cabins also include a desk with chairs, coffee table with sitting chair, and a small table. Bathrooms are generously sized with a roomy glass-walled shower stall and twin sinks.

Category A Solo

MAIN DECK **#309-311, 329-334**

These cabins feature one single bed and a large window, a writing desk, reading lamp, bathroom with a roomy glass-wall shower stall, and a TV.

Category B Solo

UPPER DECK **#203, 208**

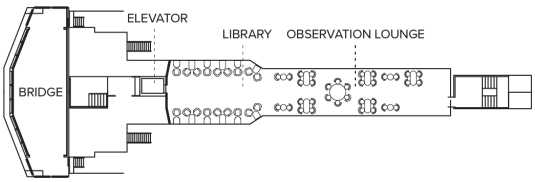

VERANDA DECK **#105-106**

These cabins feature one single bed and a large window, a writing desk, reading lamp, bathroom with a roomy glass-wall shower stall, and a TV.

Ship Amenities

Public Areas

Reception; three dining areas; global gallery; library, OM System photo locker; 24-hour Bistro area beverage bar; lounge with bar and state-of-the-art presentation facilities; observation lounge; mudroom with lockers for expedition gear; plus open access to the Bridge, the Captain, officers and on-duty wildlife spotters.

Meals

Meals are served in the dining room, Bistro bar or the Observation lounge, at a single seating with unassigned tables for an informal atmosphere and easy mingling. Menus feature sustainable choices, local where possible.

Cabins

81 outside cabins. All cabins face outside with windows or portholes, private bathroom and climate controls. Cabins are equipped with Wi-Fi, multiple electrical outlets, USB outlets, full length mirror and phones. TV featuring entertainment on demand, live feed for onboard presentations, bow camera and ship's position. Luxury bed linens and pillows. Botanically inspired shampoo, conditioner, shower gel and lotion are all available in cabin bathrooms, as well as an Expedition Essential Kit. Hair dryers, complimentary insulated water bottles and a National Geographic Atlas are available in each cabin.

Expedition Equipment

Zodiac landing craft, a fleet of double kayaks, a crow's nest camera, a hydrophone, underwater video cameras, video microscope and an ROV. Plus, for South Pacific voyages: snorkeling gear for all guests, scuba gear for a number of pre-qualified guests, stand-up paddleboards, glass-bottom Zodiac and splash-cam.

Special Features

A full-time doctor, undersea specialist, National Geographic photographer and National Geographic-Lindblad Expeditions certified photo instructor, internet café and laundry. Enjoy a session in the topside library with a good book.

Wellness

A glass-enclosed fitness center, outdoor stretching area, a LEXspa treatment room and sauna, staffed by wellness specialists.

Self-Disinfecting Ships

ACT Clean CoatTM is a light-activated, self-disinfecting cleaning process that continuously breaks down viruses, bacteria, mold, and airborne allergens across all ship surfaces. Not only does this create a cleaner, healthier shipboard environment for guests and crew alike, but this non-toxic, chemical-free system also saves more than one million gallons of water each year in our cleaning procedures, and reduces our carbon footprint as well as the amount of plastic and waste in our supply chain.

National Geographic Endurance

GUESTS	CABINS
138	76

The most advanced ice-class expedition ship afloat, the *National Geographic Endurance* offers unprecedented access to polar regions.

The first new polar build in Lindblad's 50-year history, *National Geographic Endurance* is named to honor explorer Ernest Shackleton and his legendary Transantarctic Expedition.

A fully-stabilized vessel of the highest ice class (PC5 Category A), she will enable adventurous guests to go where few have or can. Endurance's most striking exterior feature is her distinctive profile, the patented X-Bow®, a game-changing design that guarantees the smoothest, most comfortable ride in all kinds of conditions; and since it eliminates bow impact, a quieter ride, as well.

An equally impressive feature may well be her capacity: she carries just 138 guests, a commitment to expedition excellence over scale. Scandinavian-inflected, luxuriously appointed, her inviting interiors would be a destination in themselves. Because she is a Lindblad expedition ship, however, her attention is focused on the world outside —with acres of window glass to keep you connected to the stunning views beyond the pane, and a fleet of expedition tools to get you out exploring.

National Geographic Endurance and *National Geographic Resolution* are next-generation expedition ships, purpose-built for polar navigation. Fully stabilized, highly strengthened, ice-class Polar Code PC5 (Category A) vessels, they are designed to navigate polar passages year-round, and safely explore uncharted waters, while providing exceptional comfort. The patented X-bow ® is key to their design; its powerful wave-slicing action provides an extremely smooth ride even in adverse conditions, and even reduces spray on deck for superior observation. They carry a full suite of expedition tools and offer a variety of experience-enhancing amenities.

Cabin Categories

Category 1

FORE DECK **#406, 408, 411, 413, 415**

Fore Deck, with two large windows, two singles that can convert to a queen, armchair, writing desk and chair, two bedside tables, window sofa and a closet.

Category 2

FORE DECK **#410, 412, 414, 416-419, 421-427**

NOT INCLUDED IN PRICE

Airfare (except flights* when indicated as included); pre- and post-expedition extensions; additional hotel nights (except when indicated as included); private transfers; laundry, spa treatments, enhanced and premium Wi-Fi plans aboard expedition fleet; phone services (except when indicated as included); travel protection plans; and passport, visa, and immigration fees.

*Recommended flight costs include flight(s) that take place during the date range of your trip to transport travelers from one itinerary destination to another. This cost also includes ground transportation, luggage transfer, and airport assistance. If you prefer to arrange your own flights privately, have alternate means of transport, or wish to modify at a later time, please contact an Expedition Specialist at 1.833.400.0831

Additional costs associated with medical services outside onboard physician consultation.

For select voyages, completing a medical evaluation form with VIKAND is required. If you utilize your physician, VIKAND's processing fee for your documentation will be added to your National Geographic-Lindblad Expeditions invoice. If you utilize VIKAND's physicians, an additional charge will be due and payable directly to VIKAND.

TRAVEL PROTECTION PLAN

We strongly recommend our guests to take advantage of our Travel Protection Plan. This plan offers comprehensive coverage to protect you from cancellation fees, costs incurred due to trip delays/interruption, damage or loss of baggage, medical assistance, and evacuation during your travels. Our Travel Protection Plan is available for U.S. residents only, and may be purchased any time prior to final payment due date, Travel Protection premiums are non- refundable once plan is purchased.
