Sail in style aboard a unique vessel that's a perfect combination of nostalgic elegance and modern comfort

Sea Cloud II is an alluring sailing vessel perfectly suited to travel the scenic shores of Italy and Croatia, exploring little-seen archipelagos and anchoring in small coves. A romantic tall ship with every modern comfort, *Sea Cloud II* combines the spaciousness and welcome amenities of a contemporary vessel with the grace and elegance of a square rigger. Inspired by the legendary 1930s yacht *Sea Cloud, Sea Cloud II* embodies the Golden Age of Sail; yet, it is modernly built, reflecting today's standards of luxury. From marble bathrooms and elegant furnishings to televisions and climate controls, comfortable cabins have expected amenities.

Expansive outdoor decks and viewing areas provide ideal vantage points for appreciating the scenery of the Mediterranean and the Adriatic, and for savoring the romance of being under sail. Al fresco dining—accompanied by a pianist—is offered on the Lido Deck where shorts and deck shoes are the norm. While the ship's indoor spaces, like a sizeable dining room and lounge, are suitable for formality, there's a lighthearted delight in enjoying them in casual dress. Guests can also take advantage of the spa that offers a sauna, fitness area and massage therapy.

Expect the hallmarks of a National Geographic-Lindblad Expeditions voyage, including expert field staff like historians and certified photo instructors (CPIs); top-quality dining that includes locally sourced ingredients and regional specialties; evening Recaps that review the day and set the stage for the next; experienced service; and an open Bridge policy that invites guests to observe the workings of a ship under sail.

A Choice of Indoor Public Spaces
