Day by day

■ DAY 1

Lima, Peru

Arrive in Lima, Peru's thriving capital, and transfer to the convenient Wyndham Grand Costa del Sol Lima Airport hotel, located at the airport. Most international flights arrive in the late evening. Opt to arrive early for a Lima pre-voyage extension staying at the iconic Country Club Lima Hotel. The extension adds just one day to the expedition, with time to relax and explore Lima's UNESCO-listed historic center.

Arrival Time: Anytime after 12:00 p.m.
Arrival City: Lima, Peru

◇ DAY 2

Lima / Cusco / Sacred Valley

Fly to Cusco this morning and transfer down into the Sacred Valley to Pisac, known for its market and the archaeological site that rises above the town. After lunch, continue through the Sacred Valley and check-in at Tambo del Inka, your hotel for the next two nights.

Meals included: breakfast, lunch, dinner

◇ DAY 3

Machu Picchu

Drive to Ollantaytambo and admire the archaeological site, then board the scenic train traveling along the Urubamba River to Machu Picchu. Perched at nearly 8,000 feet in the "eyebrow of the jungle," the sanctuary is surrounded by tropical mountain forest with diverse birds and orchids. Enjoy an afternoon tour of the ruins and return to Machu Picchu Pueblo for the train ride back to the Sacred Valley and Tambo del Inka. Dinner is served aboard the first-class train.

Meals included: breakfast, lunch, dinner

◇ DAY 4

Sacred Valley / Cusco

Departing the hotel, drive through the Sacred Valley to Moray—a visually stunning Inca site with dramatic agricultural terraces in the heart of the fabled and fertile Urubamba Valley. Later, visit Chinchero, a typical Andean village, where National Geographic Grantee Nilda Callañaupa gives us a demonstration of Inca weaving traditions with the women in her cooperative. Here, you'll enjoy a family-style lunch. Continue to Cusco and check into the Belmond Monasterio Hotel, a former 16th-century monastery in the heart of the historic center, for two nights. Dinner is on your own.

Note: Beginning with the April 8, 2027 departure, guests will stay at the JW Marriott El Convento Hotel, and dinner is included upon arrival in Cusco.

Meals included: breakfast, lunch, dinner

◇ DAY 5

Cusco

This morning, explore Cusco, the center of the Inca universe and UNESCO-designated World Heritage site. Tour the ornate 17th-century cathedral and Plaza de Armas, as well as the sacred Inca Temple of the Sun. Visit nearby Sacsayhuamán, the emblematic monolithic stone site standing over the city from the northern outskirts. Like Machu Picchu, the ceremonial center was built during the reign of Inka Pacachuti. Opt to return to Cusco downhill on foot, walking through the eclectic San Blas neighborhood.

After lunch, the afternoon and evening are yours to enjoy at your own pace: relax, shop, wander or visit one of Cusco's many churches and museums. Dinner is on your own to delve into the culinary scene in this Andean cultural center.

Meals included: breakfast, lunch

◇ DAY 6

Cusco / Lima / Guayaquil, Ecuador

Bid farewell to Peru and continue to Ecuador for the second part of your expedition with flights from Cusco via Lima to Guayaquil.

Meals included: breakfast, dinner

◇ DAYS 7-10

Guayaquil / Baltra / Embark Ship

Fly on Day 7 to Galápagos. Each day here, you'll hike, swim, snorkel or explore by kayak or Zodiac—all the while witnessing incredible interactions between animals in their natural habitat. Start exploring on Isla Santa Cruz with a trip over the highlands of Santa Cruz upon arrival. Over these few days, walk in a cactus forest with endemic land iguanas on Santa Fé. Wander among sea lions and admire soaring sea birds on Plaza Sur. Search for penguins on stark black lava at Sullivan Bay on Santiago. Snorkel in crystal-clear water at Sombrero Chino. And sail across the Equator and into the flooded caldera at Genovesa, a seabird paradise where you'll bid farewell to Darwin's Islands.

Meals included: breakfast, lunch, dinner

◇ DAY 11

Baltra / Disembark Ship / Quito

Disembark this morning for a return flight to the mainland. In Quito there are several hotel options . The afternoon and evening are at your leisure. You may be able to take advantage of overnight flights home. Ask your expedition specialist about joining a culturally rich post-voyage extension to Quito and Otavalo , a celebrated market town.

Meals included: breakfast

■ DAY 12

Quito

After breakfast, transfer to the airport and board flights home, unless you have arranged for additional nights or an extension.

Departure Time: Anytime on day 12, or after 7:00 p.m. local time on day 11.
Departure City: Quito, Ecuador

Meals included: breakfast

National Geographic Gemini

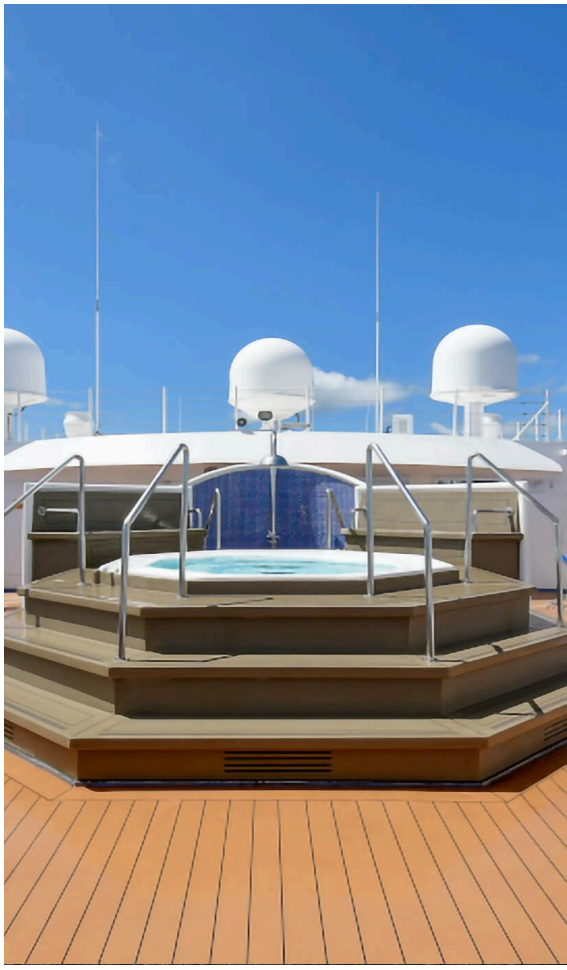

GUESTS	CABINS
48	27

A fully equipped Galápagos expedition ship for 48 guests

The newly christened *National Geographic Gemini* joins the Lindblad Expeditions-National Geographic Galápagos fleet with a history and heritage of small-ship expedition cruising. Launched in 2001 from the same shipyard as *National Geographic Orion*, *National Geographic Gemini* is a highly maneuverable, shallow-draft expedition ship purpose built to explore remote areas with ease.

Sailing year round with a maximum of 48 guests on weeklong voyages departing Fridays, *National Geographic Gemini* offers guests the choice of larger suites, cabins with balconies, and a mix of doubles, solos and triples.

All cabins are ocean facing and with ample storage, beds that can be configured as a queen or two twins, a sofa, desk, television and a well-stocked mini fridge. Bathrooms are large and feature glass showers. Suite 601 on the Upper Deck (Category 7) is the largest in the Lindblad Expeditions-National Geographic Galápagos fleet with a separate living room, forward-facing balcony and floor-to-ceiling windows. Cabins on the Bridge Deck (Category 4 & 5S) all have private balconies with seating.

Enjoy the outdoors on the Upper Deck and Bridge Deck, which features a whirlpool hot tub, and windowed fitness center and spa. An outdoor café on the Lounge Deck accommodates all guests in a single open seating, as does the restaurant on the Marina Deck. The open, windowed lounge for presentations and informal gatherings has a large bar and well-stocked library and adjacent reception area.

Carrying a fleet of quick-to-deploy Mark VI Zodiacs, kayaks and stand-up paddleboards, the ship is well-equipped for exploring the islands and marine reserve. It is also stocked with snorkeling gear for all guests, including shortie wetsuits.

National Geographic Gemini provides an authentic sense of place informed by our decades-long relationships with local communities and conservation groups. Contributing to the fully immersive Ecuadorian experience on board is the passionate and knowledgeable Ecuadorian crew. Meals are designed to support the community—comprising locally sourced farm-to-table and ocean-to-table ingredients.

A New Ship with Just 26 Spacious Staterooms and Suites Sailing the Galápagos Islands

Sleek and elegant, *National Geographic Islander II* sails year-round in the Galápagos Islands and elevates the guest experience to an entirely new level.

National Geographic Islander II is a gracious expedition vessel that feels like a private yacht. With only 26 staterooms and suites, and accommodating just 48 guests, she sails with a 1:1 guest-to-crew ratio.

Special features include teak decks, indoor-outdoor dining options, an impressive observation deck, and new amenities like a climate-controlled Marina and a dedicated Science Hub.

National Geographic Islander II provides an authentic sense of place, drawing on our decades of partnering with local communities and conservation groups. Contributing to the fully immersive Ecuadorian experience on board are Ecuadorian staff and locally sourced and sustainable farm-to-table and ocean-to-table culinary ingredients, as well as artisan spa elements and handcrafted textiles, art, and décor all regionally created.

The *National Geographic Islander II* celebrates Lindblad's deep connection to the islands, Ecuador, and its people with a deeply immersive and truly unique Ecuadorian cultural experience. The carefully considered food and beverage program highlights the four regions of Ecuador with locally sourced farm-to-table ingredients. Regional ingredients can even be found in spa products. From Ecuadorian shipboard staff to artwork, textiles, and décor created by local artists and artisans and Ecuadorean music heard throughout the ship, guests will experience the beauty and wonder of Ecuador both on and off the ship.

Ship Amenities

Indoor-Outdoor Dining

Enjoy meals in the expanded al fresco Patio Café, sophisticated Yacht Club Restaurant on the Promenade Deck or Grill on the Observation Deck, where there's also a bar and ample seating to host events. Here, guests gather for wine tastings, chocolate tastings and Bubble-Qs—BBQs made extra celebratory with Champagne. The convenient 24-hour beverage and snack stations in the Bar and Library are other welcome amenities.

Science Hub

Outfitted with scientific equipment, the exciting new Science Hub continues the Lindblad Expeditions-National Geographic legacy of supporting conservation and research. Equipped for underway oceanography, interactive video presentations and an enhanced photo experience, the Science Hub is also a place for young guests in the National Geographic Explorers-in-Training program to experience hands-on learning.

Public Spaces

The ship's public spaces enhance the connection to the islands. Guests will find an open Bridge, surrounding teak decks, and a forward-viewing area. Two dining areas accommodate all guests in a single seating. The Cove, which has a bar, is the setting for daily Recaps. Other ship features include a Reception area with glass doors that lead to an open teak Viewing Deck, a Plunge Pool, a Chart Room, the Global Gallery, Library, Marina, Swim Platform and Zodiac boarding area.

Expedition Tools

National Geographic Islander II carries a fleet of kayaks and stand-up paddleboards, a glass-bottom boat, an expanded flotilla of versatile Zodiacs, complete snorkel gear for adults and children, video microscope, and Science Hub.
The newly refitted teak-appointed marina is spacious and climate-controlled, designed for guests to comfortably get in and out of expedition gear.

Expanded Expedition Staff

The Expedition Team, led by a veteran Expedition Leader, includes a five Naturalists, Undersea Specialist, Certified Photo Instructor and Certified Field Educators who run our exclusive National Geographic Explorers-in-Training for kids and teens.
