

Norwegian Discovery: Svalbard and the Northern Fjords

From the remarkable wilderness of the high Arctic to the fabled fjords of Norway, explore two distinct but intertwined regions. Spend several days amid the ice floes and islands of Svalbard, and keep a lookout for the wildlife that calls this region home, including polar bears, walruses, seals and myriad seabirds. Kayak, Zodiac cruise, and go ashore to hike. Then head south to the indented coastline of Norway, where nature flourishes.

Day by day

■ DAY 1

Oslo, Norway

Arrive in Oslo and transfer to your centrally located hotel. Spend the day exploring this vibrant city at your own pace. Check in with the hospitality desk this afternoon to make final arrangements before your charter flight the following day.

◇ DAY 2

Oslo / Longyearbyen / Embark Ship

Depart Oslo on the recommended flight and enjoy breathtaking vistas enroute to Longyearbyen. On arrival, explore this northern outpost and research center, including the expansive views of the icy fjord and surrounding mountain ranges. Embark your base of exploration and set out on expedition.

Meals included: breakfast, lunch, dinner

◇ DAYS 3-8

Exploring Svalbard

Explore in true expedition style as nature dictates the ship's day-to-day movements within an immense Arctic wonderland. The fully stabilized, ice-class expedition ship probes deep into the ice where the polar bears forage, walruses sun themselves and the Svalbard reindeer roam. Join spotters on the bridge as they scan the floes and islands for these iconic creatures, along with bearded and ringed seals; Arctic fox; and whales that call these waters home like beluga, fin and minke. There's no greater thrill than a sighting that brings everyone rushing to the bow or Bridge for a close-up view.

Sail deep into protected bays and fjords, where even a novice kayaker can comfortably paddle surrounded by sparkling bergs and dramatic mountains. Video from a remotely operated vehicle (ROV) allows you to peer into the mysterious world that exists 1,000 feet below you during recaps with your multi-talented field staff.

Meals included: breakfast, lunch, dinner

◇ DAY 9

Bear Island (Bjørnøya)

Sitting at the confluence of the Norwegian and Barents Seas, Bear Island is ironically known as a birdwatcher's paradise. The island also houses one remote meteorological station. With conditions permitting, enjoy a Zodiac cruise around the southernmost member of the Svalbard archipelago and revel at the bird cliffs, home to countless thousands of fulmars, kittiwakes and guillemots.

Meals included: breakfast, lunch, dinner

◇ DAYS 10-11

Sørøya and Senja Islands

Off Norway's coast, two of its largest islands offer stunning landscapes, challenging and rewarding hikes and protected fjords to explore. The mountainous island of Sørøya, known for its scenic bays, pristine nature reserves and large populations of *skrei*, or cod, welcomes you to its shores as you make your way south from Bear Island. After exploring this gateway to Finnmark, Norway's northernmost county, head south to Senja Island. Capture panoramic landscapes along your certified photo instructor, glide amongst islands in a kayak or explore village streets and shops as you get to know Norway's second-largest island.

Meals included: breakfast, lunch, dinner

DAY 12

Tromsø / Disembark Ship

Disembark in Tromsø and transfer to the airport for flights home.

Meals included: breakfast

Southbound

Longyearbyen, Svalbard (Norway) → Tromsø, Norway

National Geographic Endurance

GUESTS	CABINS
138	76

The most advanced ice-class expedition ship afloat, the *National Geographic Endurance* offers unprecedented access to polar regions.

The first new polar build in Lindblad's 50-year history, *National Geographic Endurance* is named to honor explorer Ernest Shackleton and his legendary Transantarctic Expedition.

A fully-stabilized vessel of the highest ice class (PC5 Category A), she will enable adventurous guests to go where few have or can. Endurance's most striking exterior feature is her distinctive profile, the patented X-Bow®, a game-changing design that guarantees the smoothest, most comfortable ride in all kinds of conditions; and since it eliminates bow impact, a quieter ride, as well.

An equally impressive feature may well be her capacity: she carries just 138 guests, a commitment to expedition excellence over scale. Scandinavian-inflected, luxuriously appointed, her inviting interiors would be a destination in themselves. Because she is a Lindblad expedition ship, however, her attention is focused on the world outside —with acres of window glass to keep you connected to the stunning views beyond the pane, and a fleet of expedition tools to get you out exploring.

National Geographic Endurance and *National Geographic Resolution* are next-generation expedition ships, purpose-built for polar navigation. Fully stabilized, highly strengthened, ice-class Polar Code PC5 (Category A) vessels, they are designed to navigate polar passages year-round, and safely explore uncharted waters, while providing exceptional comfort. The patented X-bow ® is key to their design; its powerful wave-slicing action provides an extremely smooth ride even in adverse conditions, and even reduces spray on deck for superior observation. They carry a full suite of expedition tools and offer a variety of experience-enhancing amenities.

Cabin Categories

Category 1

FORE DECK **#406, 408, 411, 413, 415**

Fore Deck, with two large windows, two singles that can convert to a queen, armchair, writing desk and chair, two bedside tables, window sofa and a closet.

Category 2

FORE DECK **#410, 412, 414, 416-419, 421-427**

Fore Deck, with two large windows, two single beds that can convert to a queen, window sofa, 2 seat sofa, coffee table, armchair, writing desk with an office chair, two bedside tables and a closet.

Ship Amenities

Public Areas

Reception; three dining areas; an observation lounge with bar, gym, wellness area, infinity-style outdoor hot tubs with adjacent igloos; library; main lounge with full service bar, 24-hour beverage station,state-of-the-art tech for films/presentations; OM System photo locker and a photo workshop area; science hub; an onboard broadcast studio; an expedition base with lockers for expedition gear; and open access to the Bridge, Captain, officers and on-duty wildlife spotters.

Meals

Restaurant 270° features wrap-around views; two other dining areas offer lighter, made-to-order fare or intimate, small group dinners. All feature sustainable choices, local where possible, and unassigned, flexible, inclusive seating.

Cabins

All cabins face outside with large windows, private bathroom, and climate controls. Cabins are equipped with expedition command centers with iPad tablets, multiple electrical and USB outlets, TVs, with on demand entertainment, phone, Wi-Fi, clock, barometers, hygrometers, vanity mirror, mini refrigerator, small safe, ice bucket, glasses, hair dryer, reading lights and National Geographic Atlas. Luxury linens and pillows. Bathrooms outfitted with rain showers & hand held shower, botanically inspired shampoo, conditioner, shower gel and lotion. Complimentary insulated water bottles. Balcony cabins have hammocks, chairs and table.

Expedition Equipment

Zodiac landing craft, kayaks, snowshoes, cross-country skis, an ROV and underwater video camera for unique access to the polar undersea, hydrophone, aerial remote-controlled camera and video microscope.

Special Features

A full-time doctor, undersea specialist, National Geographic photographer, National Geographic-Lindblad Expeditions certified photo instructor and video chronicler, an internet cafe and laundry. A forward and aft staircase, and elevators, reach all decks. Echoing the pioneering installation aboard *National Geographic Endurance*, artist Zaria Forman has curated a new exhibit featuring a wide range of artists.

Wellness

A glass-enclosed yoga studio, gym, treatment rooms and spa relax area, and high and low-heat saunas with ocean views, staffed by wellness specialists.

Self-Disinfecting Ships

ACT Clean CoatTM is a light-activated, self-disinfecting cleaning process that continuously breaks down viruses, bacteria, mold, and airborne allergens across all ship surfaces. Not only does this create a cleaner, healthier shipboard environment for guests and crew alike, but this non-toxic, chemical-free system also saves more than one million gallons of water each year in our cleaning procedures, and reduces our carbon footprint as well as the amount of plastic and waste in our supply chain.

Special Offers

SUITE EXCLUSIVES

Spacious living areas and incredible views immerse you in the beauty of your marine surroundings. Our new Suite Exclusives package helps make your voyage all the more memorable. **Learn more**

SAVE 5% TRAVELING AS A GROUP

Save 5% when traveling as a group of 8 or more people. Valid for new bookings only on select departures, subject to availability, not applicable on extensions, and may not be combined with other offers. Call for details.

CELEBRATE LIFE'S MILESTONES

Celebrate a milestone with a group of eight or more and enjoy a special amenity package including: 5% savings on voyage fares, custom group photo, US$150 shipboard credit for the group, and other special gifts. Milestone celebration to be communicated at time of booking.

COMBINING OFFERS

Certain offers may be combinable, up to two savings opportunities, except where noted otherwise. For example, travel with a group of 8 or more on back-to-back expeditions, and take advantage of both savings.
