■ DAY 1

Athens, Greece / Lavrio / Embark Ship

Arrive in Athens, the capital city of Greece, and transfer to Lavrio, where you'll embark the ship in the afternoon. Settle into your cabin and take in your first Aegean sunset at sea as you pass the Temple of Poseidon. Or explore more on a pre-voyage extension in Athens.

Meals included: dinner

◇ DAY 2

Milos

Spend the morning exploring the sea caves at Kleftiko, and if conditions allow, get in the water. This afternoon, on the charming volcanic island of Milos, view the Ancient Theater and enjoy an island tour, including a visit to the stunning Sarakiniko, a majestic other-worldly beach cove surrounded by large white volcanic stones. In the small town of Trypiti, visit the 1820 excavation site of 'Venus de Milo,' one of the most famous works of ancient Greek sculpture, now exhibited in the Louvre. This evening, enjoy dinner on board or explore Adamantas on your own. Be sure to stop by the famous ice cream shops.

Meals included: breakfast, lunch, dinner

◇ DAY 3

Sifnos

Sifnos—a local favorite—is a peaceful, rugged island known for its sandy beaches, plethora of churches and trendy food scene. With a scenic upper *chora* (village) that invites exploration, visit quaint little churches that sit precariously on the edge of the sea. This morning, go on a scenic hike and then join a walking tour of the Kastro, with an optional cooking class at a local farm. Our Sifnos visit also offers an optional hands-on pottery experience. Spend the afternoon on board or enjoying the water at a local beach. Whatever your pace, this is the ideal place to explore on foot, whether it's a brisk walk or a lazy stroll along the beach.

Meals included: breakfast, lunch, dinner

◇ DAY 4

Serifos

On Serifos, one of the smaller Cycladic islands, visit the Chora for views across the Aegean Sea. Enjoy a stop at the Mineralogy and Petrology Museum, the Monastery of Taxiarches or spend time in the water enjoying a local beach or kayaking.

Meals included: breakfast, lunch, dinner

◇ DAY 5

Paros

In Paros, explore the charming Kastro, visit quaint villages along the harbor like Parikia and Naoussa that offer a maze of streets and alleyways to explore, or join an optional excursion with a local farmer to learn about dry-land farming and taste the fruits of their bounty.

Meals included: breakfast, lunch, dinner

◇ DAY 6

Naxos

This morning, choose to go on an early hike on Naxos. Visit an olive press museum and meet the fifth-generation owners while sampling cake, oil and marmalades, or enjoy a self-guided tour of the Kastro. This afternoon, choose to explore on your own, or join an optional marble carving class.

Meals included: breakfast, lunch, dinner

◇ DAY 7

Delos / Tinos

The island of Delos is one of the most important mythical and historical sites in Greece and a designated UNESCO World Heritage site. In myth, it's the birthplace of the twin immortals Artemis, goddess of animals and the hunt, and Apollo, god of healing, music and light. Spend the morning surveying the Terrace of the Lions and exquisite Temple of Apollo, two of the many incredible ruins preserved here.

This afternoon, go ashore in Tinos, a smaller and less-visited Cycladic island, for a hike. Visit the artistic heart of Tinos, Pyrgos Village, or the Tinos Marble Museum. Explore the small towns and artisan crafts that make this island so unique.

Meals included: breakfast, lunch, dinner

◇ DAY 8

Lavrio / Athens / Lavrio

Arrive in Lavrio and, after breakfast on board, transfer to Athens. Explore the city on a guided tour, then sit down to lunch at a local restaurant. This afternoon, return to the ship in Lavrio and settle back into your cabin. Enjoy the Aegean sunset as you sail toward the Adriatic.

Meals included: breakfast, lunch, dinner

◇ DAY 9

Corinth Canal / Delphi

Navigate the historic Corinth Canal, slipping between the 300-foot limestone walls that tower above both sides of the vessel. Built in the late 19th century, the canal is too small for most modern-day ships, but *National Geographic Orion* is perfectly sized for the transit to the Gulf of Corinth and Ionian Sea.

Later, visit the UNESCO World Heritage site of Delphi, the center of the ancient Greek world. The ruins here are home to the Temple of Apollo—Greece's most important shrine—where the Oracle of Delphi delivered divine prophecies. Learn about the city's storied past and explore the temple and other important sites.

Meals included: breakfast, lunch, dinner

◇ DAY 10

Kefalonia

Start the day with an early morning hike in Kefalonia. Later this morning visit the natural marvels of Melissani Lake and Drogarati cave. Enjoy lunch onboard before transferring overland to a nearby beach for a sun-filled afternoon. Soak in the vivid blue waters—a true photographer's delight. Stroll along the shoreline, or swim, kayak or paddleboard in the beautiful sea (weather permitting).

Meals included: breakfast, lunch, dinner

◇ DAY 11

Corfu

Known for its strong cultural heritage, Corfu is home to many of the country's firsts: the first university, theatre and opera. Learn about the island's history, including its triumphant defense against the Ottoman empire, and spend time around Spianada, the old city's main square—and the largest one in Greece—built in the 16th and 17th centuries by the Venetians. Discover the island's most iconic landmarks and signs of foreign influences. Or meander through the old town's charming city streets tasting local delicacies such as kumquats and olive oil.

Meals included: breakfast, lunch, dinner

◇ DAYS 12-13

At Sea / Siracusa, Italy

Spend the following day at sea, relaxing aboard *National Geographic Orion* as she makes her way toward Italy.

Head ashore at Siracusa, one of the most powerful cities in the classical world. Explore the archaeological park where a well-preserved Greek amphitheater with carved limestone seats is still used today. Paradise Quarry, now an attractive garden and orange grove, was the primary source of that limestone, and is the site of the curious Ear of Dionysius—a huge cave with incredible acoustics. Make the most of your time in port: explore the city's excellent market or join a walking tour of the adjacent island of Ortigia, where a stunning cathedral was built on the columns of the 6th-century Temple of Athena.

Meals included: breakfast, lunch, dinner

◇ DAY 14

Taormina, Sicily

This morning, drive up to the beautiful town of Taormina, perched 250 meters above the sea. With Mount Etna dominating to the south, this medieval town boasts the pedestrian-friendly Corso Umberto, lined with exquisite buildings and one of the world's most interesting cultural sites: the Greco-Roman Theater. This remarkable theater was built right into the cliffside, overlooking the vast sea below, in the third century B.C. Enjoy lunch at a nineteenth-century estate at the foot of Monte Serra in Viagrande.

Meals included: breakfast, lunch, dinner

◇ DAY 15

At Sea / Aeolian Islands

Enjoy the day at sea as you sail toward the Aeolian Islands—not only famous for the winds of the god Aeolus, but also for some of the most well-known classical volcanoes. With a bit of luck, you will witness the pyrotechnics of the active volcanic island of Stromboli. Pass through the narrow Strait of Messina overnight, the purported location of Homer's monsters Scylla and Charybdis: the rock and the hard place through which Odysseus had to sail.

Meals included: breakfast, lunch, dinner

◇ DAY 16

Golfo Aranci, Sardinia / Bonifacio, Corsica, France

Step ashore on Sardinia's east coast, known for its stunning and remote landscapes, including grottos and mountain peaks. Populated since pre-historic times, the landscape is dotted with Roman village ruins and monasteries from the Middle Ages. Venture into the mountains to visit the archeological discoveries, including tombs and village remains or spend the morning in San Pantaleo, visiting local artisan shops that showcase the handicrafts of painters, goldsmiths, sculptors and potters.

Arrive into Bonifacio this evening.

Meals included: breakfast, lunch, dinner

◇ DAYS 17-18

Bonifacio / At Sea

Wake up to the sunrise over the layered cliffs of Bonifacio, one of the Mediterranean's most beautiful towns. Begin your day with a walking orientation to the citadel, established by the powerful margraves of Tuscany in the ninth century, and enjoy a hike or travel to a charming mountain village. In the afternoon, enjoy some time relaxing onboard or exploring at your own pace. Later, enjoy a musical performance at a majestic church in town.

The following day is spent at sea: listen to talks by your onboard experts, get photo tips from a National Geographic-Lindblad Expeditions certified photo instructor or spend some time on

the bridge with officers who are happy to answer questions. A massage from the wellness specialist is another inviting option, or relax with a book in the observation lounge.

Meals included: breakfast, lunch, dinner

◇ DAY 19

Mahón, Menorca, Spain

The Vandals, the Moors and the British Empire have ruled over this stunning little island where prehistoric civilizations left intriguing rock mounds and megalithic monuments dating back some 4,000 years. Walk through the Bronze Age village of Torralba d'en Salord and see the characteristic T-shaped stone monuments left by the Talayotic peoples. This evening, set a course west toward Barcelona.

Meals included: breakfast, lunch, dinner

Joining the Lindblad fleet in 2013, the state-of-the-art *National Geographic Orion* serves as a luxurious base camp for voyages to the far-flung corners of the planet.

Built in Germany by the Cassens shipyard, the 102-guest *National Geographic Orion* was created with a high ice class to be able to venture safely into polar regions. A ship of her size is seldom built with such ice-cutting ability, which makes her a rarity. She is yacht-scale, yet rugged enough to venture far afield, making her a perfect addition to the Lindblad fleet, which she joined in 2013. Her size and nimbleness offer the perfect combination of safety and liberty to voyage untrammeled locations. In fact, *National Geographic Orion* currently holds the distinction of having sailed further south than any other Lindblad vessel.

Her menu, created by famed Australian chef, Serge Dansereau, owner of Sydney's acclaimed Bather's Pavilion restaurant, enormously popular with *National Geographic Orion*'s guests, so impressed Sven Lindblad, that Serge, a chef-owner who shared the Lindblad commitment to serving local and sustainable food, was enlisted to design the dining program for the entire National Geographic-Lindblad Expeditions fleet.

National Geographic Orion is gracious and intimate, with a rewarding, almost clubby feeling. Of her many amenities and features, the most appealing is her outside deck space which beckons in the balmy reaches of the Pacific, and on those days in Antarctica when the midnight sun and the spectacle of the ice makes going indoors, let alone going to bed, impossible.
